

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? No

Explain why the APR for the most recently expired grant term related to this renewal project request has not been submitted.

It was submitted one day late (11/30/17 instead of 11/29/17). There was a complication with the uploaded information that needed addressed by another party.

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

Stone Harbour(SH) provides transitional housing and supports for individuals(adults & youth over the age of 18)experiencing homelessness as well as co-occurring mental health and substance use disorders and interactions with the justice system.While SH does not require participants to be chronically homeless, we will prioritize those who are, as well as homeless veterans.SH works closely with CoC Coordinated Entry(CE) Program,which prioritizes people with the greatest need. People who have been assessed through CE and determined to most benefit from TH are selected for possible admission to SH. SH, in conjunction with CE verifies the person's homeless status, as well as the additional requirements, prior to admission. In following Housing First philosophy, little to no regard is given to past housing barriers such as poor rental history, evictions, criminal history or lack of income, and in fact, the CE process elevates the status of people experiencing such and then prioritizes those most in need.This program fills a critical need in the CoC due to the lack of barriers for people to obtain safe affordable housing. In addition, SH participants benefit from a coordinated compliment of CoC service partners.SH expects to house twenty-six individuals with ten exiting to permanent housing (40%) during the term of the grant.The mission of the program is to support participants to have a positive reintegration into the community by helping people establish income, connect to mainstream resources, settle into their recovery, adopt and practice good budgeting skills as well as learning how to be a good tenant, hence the reasons why it should be CoC funded. Twenty-four hour staffing provides assistance and support towards personal recovery as well as good tenancy.Upon admission into the program, staff will assist participants in securing snap and medical benefits as well as exploring avenues to obtain an income if none is present upon admission. SH utilizes Beaver County's HMIS for coordinated centralized assessments and yearly reviews. SH eliminates barriers by providing housing, basic supportive counseling, crisis intervention/prevention, assistance with daily living skills, medication management/education, health/wellness education, community awareness, educational classes to improve daily living skills, personal growth and empowerment activities. We also coordinate with community resources to offer classes in budgeting, vocational opportunities, resume building, addressing felonies for employment, nutrition, shopping, meal preparation and addressing physical health needs. The goal of the program is to help people to exit quickly to permanent housing and to be able to maintain housing stability.SH also collaborates closely with the Beaver County Jail, Adult Probation/Parole, NHS Fact and Re-Entry, MH providers, drug and alcohol services, Aurora Rehab, and any other services requested or deemed necessary for the individual's recovery and wellness.

Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Dear Mr. Zachewicz:

This letter is to verify that for contract year 7/1/2018 to 6/30/2019, Beaver County Behavioral Health (BCBH) provided \$18,000 in cash match. Additionally, based on the number of individuals served by Stone Harbour from 9/1/2017 through today's date, BCBH provided \$82,791 as its leveraging contribution through HealthChoices for behavioral health services to include: intake, assessment, case management, supportive services and treatment.

Based on funds being available, BCBH commits to providing \$18,000 in cash match to the Stone Harbour Program for the 7/1/2019 to 6/30/2020 contract year. Providing they meet eligibility requirements and utilize publically funded behavioral health services/programs, Beaver County Behavioral Health pledges a commitment of \$78,304 of leveraging in-kind contribution through HealthChoices for the 2019-2020 operating year. This figure is based upon an average per member per month cost of \$90.63 for individuals enrolled in HealthChoices.

If you have any questions, you may contact me at 724-847-6225.

Sincerely,

HertaK.Madder
